

## Hanney Tennis Club: Covid-Secure Club Sessions ('CSCS')

Club Sessions will resume as 'Covid-Secure' sessions under rules agreed with Hanney Tennis Club Committee and compliant with Government and LTA advice.

Numbers will be limited to **10 Members** per session Tuesday 7pm and Sunday 10am. Please email David Gahan [david@dgahan.plus.com](mailto:david@dgahan.plus.com) (CSCS Leader responsible to the Committee) to book a place **up to 1 week ahead**. Every attempt will be made to be fair but generally a first come first served, or priority for disappointed members (if asked to stand down).

David (or other CSCS session leader) will be responsible for ensuring that the following rules are followed – please give your full cooperation.

- No player may attend CSCS if they have symptoms suggestive of Covid-19 namely a fever/temperature of 37.8 or above, a new continuous cough or a loss of, or change in, their sense of taste or smell, or are subject to stay at home and/or quarantine restrictions
- 2m social distancing should be maintained at all times
- Hand sanitiser to be used both **before and after play**
- Players may change ends as normal but should avoid 'crossing', eg by doing so in a clockwise or anticlockwise direction
- LTA guidance specifically acknowledges that toilet facilities may be opened; Users should be reminded to wash their hands and use hand-gel **before and after** using the facilities and decontaminate anything they have touched with the Dettol Cleansing Surface Wipes.
- Only one person in the Clubhouse at any one time; no use of sink or cups

In general, to avoid mixing, players will be divided into two groups for numbers from 8-10 and sets or rotating serve games played. For numbers up to 7, more normal rotation will be possible. These measures are to reflect as much as possible the 'Rule of 6'. HTC Committee asks for your cooperation with these agreed rules.

David Corps, Chairman
